It also reviews recruitment, hiring, assignment, and promotion of personnel. It is the belief of the district that students benefit from the District's efforts to develop a diverse workforce that is reflective of the community and state. This allows students opportunities to interact with people who perform various duties and hold differing perspectives.

The Johnston Community School District's equal opportunity and affirmative action message, policies, and procedures will be disseminated to employees annually. Students, parents of students, employees, and applicants for employment in the school district have the right to file a formal complaint alleging discrimination. The district has policies and procedures in place to identify and investigate complaints alleging discrimination. If appropriate, the district will take steps to prevent the recurrence of discrimination and to correct its discriminatory effects on the Complainant and others.

A Complainant may attempt to resolve the problem informally by discussing the matter with a building principal or a direct supervisor. However, the Complainant has the right to end the informal process at any time and pursue the formal grievance procedures outlined below. Use of the informal or formal grievance procedure is not a prerequisite to the pursuit of other remedies. Please note that informal processes and procedures are not to be used in certain circumstances (e.g., sexual harassment and sexual assault).

Filing a Complaint

A Complainant who wishes to avail himself/herself of this grievance procedure may do so by filing a complaint with the equity coordinator(s). An alternate will be designated in the event it is claimed that the equity coordinator or superintendent committed the alleged discrimination or some other conflict of interest exists. Complaints shall be filed within 180 days of the event giving rise to the complaint or from the date the Complainant could reasonably become aware of such occurrence.

The Complainant will state the nature of the complaint and the remedy requested. The equity coordinator(s) shall assist the Complainant as needed.

Investigation

Within 15 working days, the equity coordinator will begin the investigation of the complaint or appoint a qualified person to undertake the investigation (hereinafter “equity coordinator”). If the Complainant is under 18 years of age, the equity coordinator shall notify his or her parent(s)/guardian(s) that they may attend investigatory meetings in which the Complainant is involved. The complaint and identity of the Complainant, Respondent, or witnesses will only be disclosed as reasonably necessary in connection with the investigation or as required by law or policy. The investigation may include, but is not limited to the following:

• A request for the Complainant to provide a written statement regarding the nature of the complaint;
• A request for the individual named in the complaint to provide a written statement;
• A request for witnesses identified during the course of the investigation to provide a written statement;
• Interviews of the Complainant, Respondent, or witnesses;
• An opportunity to present witnesses or other relevant information; and
• Review and collection of documentation or information deemed relevant to the investigation.

Within 60 working days, the equity coordinator shall complete the investigation and issue a report with respect to the findings.

The equity coordinator shall notify the Complainant and Respondent of the decision within 5 working days of completing the written report. Notification shall be by U.S. mail, first class.

Decision and Appeal

The complaint is closed after the equity coordinator has issued the report, unless within 10 working days after receiving the decision, either party appeals the decision to the superintendent by making a written request detailing why he/she believes the decision should be reconsidered. The equity coordinator shall promptly forward all materials relative to the complaint and appeal to the superintendent. Within 30 working days, the superintendent shall affirm, reverse, amend the decision, or direct the equity coordinator to gather additional information. The superintendent shall notify the Complainant, Respondent, and the equity coordinator of the decision within 5 working days of the decision. Notification shall be by U.S. mail, first class.

The decision of the superintendent shall be final.

The decision of the superintendent in no way prejudices a party from seeking redress through state or federal agencies as provided by in law.
This policy and procedures are to be used for complaints of discrimination, in lieu of any other general complaint policies or procedures that may be available.

If any of the stated timeframes cannot be met by the district, the district will notify the parties and pursue completion as promptly as possible.

Retaliation against any person, because the person has filed a complaint or assisted or participated in an investigation, is prohibited. Persons found to have engaged in retaliation shall be subject to discipline by appropriate measures.

The Associate Superintendent of Student Services will make a determination on the complaint based on a preponderance of the evidence. POLICY TITLE EQUAL OPPORTUNITY EMPLOYMENT No. 401.1

The Johnston Community School District will provide equal opportunity to employees and applicants for employment in accordance with applicable equal employment opportunity and affirmative action laws, directives and regulations of federal, state and local governing bodies. Opportunity to all employees and applicants for employment includes hiring, placement, promotion, transfer or demotion, recruitment, advertising or solicitation for employment, treatment during employment, rates of pay or other forms of compensation, and layoff or termination. The school district will take affirmative action in major job categories where women, men, minorities and persons with disabilities are underrepresented. Employees will support and comply with the district’s established equal employment opportunity and affirmative action policies. Employees will be given notice of this policy annually.

The board will appoint an affirmative action coordinator. The affirmative action coordinator will have the responsibility for drafting the affirmative action plan. The affirmative action plan will be reviewed by the board at least every two years.

Individuals who file an application with the school district will be given consideration for employment if they meet or exceed the qualifications set by the board, administration, and Iowa Department of Education for the position for which they apply. In employing individuals, the board will consider the qualifications, credentials, and records of the applicants without regard to race, color, creed, sex, national origin, religion, age, sexual orientation, gender identity, genetic information or disability. In keeping with the law, the board will consider the veteran status of applicants.

Prior to a final offer of employment and periodically during employment, the school district will perform background checks for all employees as required by law.

Advertisements, notices and applications, will contain a statement of the school district’s equal employment opportunity and affirmative action policies.

Inquiries by employees or applicants for employment regarding compliance with equal employment opportunity and affirmative action laws and policies, including but not limited to complaints of discrimination, will be directed to Laura Kacer, Executive Director of Human Resources, the district’s Affirmative Action Coordinator by writing to the Affirmative Action Coordinator, Johnston Community School District, 5608 Merle Hay Road, Johnston, Iowa 50131; or by telephoning 515-278-0470.

QUANTITATIVE ANALYSIS AND GOALS

WORKFORCE ANALYSIS

The workforce analysis (Chart A) illustrates the composition of the overall workforce by department or organizational unit as well as by sex and by race. The workforce analysis is a necessary first step in gathering data to determine where underrepresentation exists and for establishing numerical goals.

AVAILABILITY

The term “Availability” (Chart B) is utilized in deciding whether a specific sub-group is underrepresented, and if so, by what margin (from a numerical perspective). Availability translates to those workers that have specific skill sets that are unemployed and ready to work.

While this methodology does not guarantee that each sub-set of workers has the needed skills for each employment classification, it does reflect a benchmark against which the demographic composition of the incumbent workforce can be compared in order to determine if barriers exist within particular job groups. Availability is an estimate of the number of qualified minorities or qualified persons available for employment in the job category. The availability data only examines external availability.

To examine and compare the potential workforce, the district utilized the most recent demographic data available; U.S. Census Bureau; State of Iowa population by Gender and Minority Status/ State of Iowa Workforce Development Center Applicants data of 2012; Labor Force Status by Gender and Minority Group, Des Moines Metropolitan Statistical Area (Dallas, Polk, and Warren Counties), Occupations of workforce Development Center Applicants by EEO-1 Category; and Labor Force Status by Gender and Minority Group. These forms are available in the Executive Director of Human Resources’ Office.

QUANTITATIVE GOALS

For each job category where underrepresentation exists, numerical hiring goals must be established. The goals will be considered reasonable aspirations and not rigid or inflexible quotas that could cause a group of applicants to be excluded from the hiring process when filling vacancies where underrepresentation exists. There are many factors to consider when establishing goals such as; the number of projected vacancies within the job categories; the availability of qualified applicants from underrepresented groups within the relevant job market; and the diversity of the Johnston Community School student population, District and surrounding Des Moines MSA.

VACANCY ANALYSIS/PROJECTIONS

In February 2017, the District transitions to a new electronic recruitment and hiring system called Frontline Applicant Tracking. This system will allow the district to more accurately access and examine data for equity/affirmative action purposes. In order to project vacancies within the job categories for the purpose of this plan the Executive Direct of Human Resources used available data
from previous District computer systems (Excel spreadsheets, etc.) and projected vacancies based on the average number of vacancies per year over the past two-year period.

QUALITATIVE ANALYSIS

Johnston Community School District has 845 full and part time regular employees on its payroll in June of 2018. This total does not include substitutes or temporary part-time employees. Of the 845 employees, 647 are female and 198 are male; with a minority population of 5%.

As of fall 2017-2018 BEDS Enrollment Report, the student body is made up of 7,381 students and is approximately 74.1% white and 25.9% minority. The minority population is 0.2% American Indian or Pacific Islander, 7.7% Asian, 7.7% Black or African American, 5.8% Hispanic/Latino, and 4.5% representing multiple races.

Based on the information provided by the District’s last Affirmative Action Plan, Student demographic data for the 2011-2012 academic year indicated a student body composition of 82.1% white and 17.9% minority. The increase of minority students in the District further indicates the need for an increase in minorities in the certified and classified staff.

POLICIES AND PRACTICES REVIEW

The recruitment of classified and certified staff is accomplished by advertisement guidelines provided in the respective master agreements. All vacant positions are posed via the Iowa Department of Education’s Teach Iowa’s website, and the district’s various social media platforms. The Executive Director of Human Resources and other Human Resources staff members participate in numerous job fairs with Iowa colleges and other employment groups. When necessary, certified and classified positions re also advertised in local and regional newspapers. Job descriptions are reviewed and updated on a regular basis to ensure accuracy.

Board policies and collective bargaining agreements govern demotion, terminations, layoffs and recall criteria and practices. These provisions of the master agreement contract govern certified and classified personnel. These provisions do not seem to conflict with AA provisions.

The District’s policies on non-discrimination, affirmative action, and harassment are disseminated to all employees, students, parents, and applicants for employment on an on-going basis via the Johnston community School District website, online job applications site, new employee orientation sessions, and the Employee Handbook.

Since the last Affirmative Action Plan was developed the District has made some progress toward the established goals:

- Two female technology support persons have been hired;
- Developed an electronic exit survey to use in analyzing trends in retirements, resignations, etc.;
- Launches a new online application system;
- Reviewed and revised all Board Policies to ensure compliance with specific equity related content;
- Launched a new website with specific equity relevant content;
