Series 600

POLICY TITLE FOREIGN STUDY

No. 602.6

The Board recognizes that study programs outside the country are sometimes desirable and justifiable.

Plans for such study program must be approved in advance by the Board. Separate approval shall be gained for each trip, except for continuing programs that have received a favorable evaluation according to administrative guidelines, and that will be carried out in the same way by the same personnel.

Proof of appropriate insurance and liability protection must be guaranteed for the protection and safety of participants before approval will be granted by the Board. The school system can in no way be placed in a position of personal liability.

There should be no monetary profit motive for any school employee. Bookkeeping shall be available for public view.
